Aloha, my name is Ryan Yamane and I am running for the House of Representatives, district 37. Serving our community in Mililani and Waipio Gentry over the years continues to be an honor and a privilege. I am very excited about this opportunity to be your new Representative, and respectfully ask for your support.

My wife and I are life long Hawaii residents born, raised and educated on Oahu. We are excited about the pending birth of our son in July. I am a licensed social worker, and have been working with children, families and communities throughout Oahu, including those in Mililani. Like many of you, I want to make the district of Mililani and Waipio a safe place to improve our quality of life, raise our families, and enjoy retirement.

I am currently a Clinical Director for a community-based educational program. I work with children, families and schools to help students that are having emotional and behavioral difficulties that impede their education. During my 12 years of working with families in our community, I have had the opportunity to hear concerns about our neighborhoods, including drugs, traffic, our economic environment, and problems that affect their every day lives. These experiences have provided me a deeper understanding, respect and empathy for people's needs and concerns.

Please share your thoughts with me because my philosophy is built on openness, involvement, hard work and integrity. Together, we can make a difference!

Please vote for Yamane as your new Representative.
